Religious Support Team, 2nd Iraqi Army Division Military Transition Teams

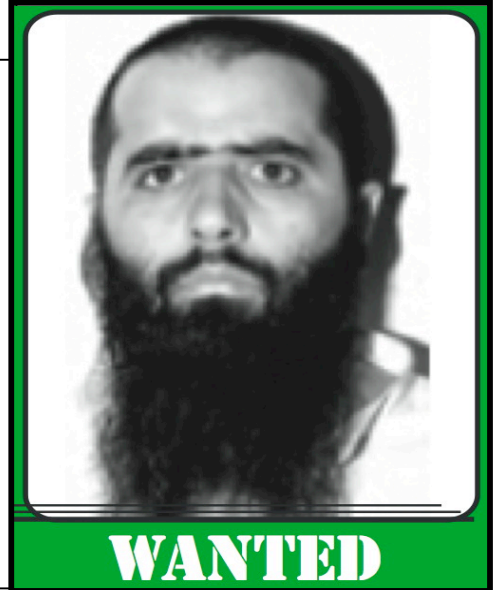

Jabir Abdallah al-Jalahmah

Featured High Value Prayer Focus:

Wanted as a financier for Al-Qaida in Iraq (AQI)

From Defense Intelligence Agency Web Site (2006)

Ask God to give Jabir dreams and visions that will lead him to understanding the true character and nature of God. Ask that his bondage to Satan will be broken. Ask that he will see and experience the irresistible grace of God found in God's provision for the forgiveness of his sins and that he will have the spiritual freedom to repent.

Prayer Requests:

- Various Iraqi military leaders seem to choke the logistics system by hoarding everything from medical supplies to spare parts for seemingly irrational reasons. Ask God to change the attitudes and behaviors of these logistics "gate keepers" so that resupplies can reach the units needing them.
- The former Commander of the 3rd Battalion, 8th Brigade, 2nd Iraqi Army Division who has bravely disarmed many improvised explosive devices and saved lives of many American and Iraqi soldiers lost part of his leg when a device he was preparing to disarm exploded. Ask God to speed Major Falker's physical and emotional recovery and bring his attackers either to justice or repentance.
- The Rashidiya neighborhood in northern Mosul has been especially dangerous recently. This is where MAJ Falker lost his leg. Ask God to alter the violent nature of this neighborhood and cleanse its streets of hatred.

Whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.

Matthew 18:18

Matthew 18:18 indicates there are cause and effect relationships between spiritual and physical realities upon which followers of Jesus Christ can have an impact. The very next verses encourage us to pray in concert with others (not alone). Jesus encourages us to be agents for accomplishing the will of God in his name. If spiritual victories precede physical ones, then victory against spiritual forces of evil through prayer will precede victory against terrorists with security forces.
