**SUNDAY, JULY 13, 2008**

Religious Support Team, 2<sup>nd</sup> Iraqi Army Division Military Transition Teams

High Value Prayer Focus:

**Abd Almajoud  
Abdullah Al-Jabouri**

**Wanted as an Al-Qaida operative believed to be in Iraq. He is linked to efforts to produce chemical weapons, associated with the late Al-Qaida leader Abu Musab Al-Zarqawi, and is a Former Coalition detainee**

*From Defense Intelligence Agency Web Site (2006)*

Ask God to give Almajoud dreams and visions that will lead him to understanding the true character and nature of God. Ask that his bondage to Satan will be broken. Ask that he will see and experience the irresistible grace of God found in God's provision for the forgiveness of his sins and that he will have the spiritual freedom to repent.

**WANTED**

## Prayer Requests:

- Coalition forces (Iraqi Police, Army, and US military) are working hard to secure sites for voter registrations for future polling. Ask God to cleanse these sites of evil and to keep disruptive elements away.
- The Iraqi government is flush with cash from oil revenues and international aid, but mechanisms for putting it to work on security and infrastructure are underdeveloped and under utilized. Ask God to destroy strongholds of greed, envy, and insecurity that keep the money from usefully working.
- Much personnel planning and materials preparation is needed for securing voter registration sites and polling locations in preparation for local elections. Ask God to grant integrity and efficiency to the Iraqi leadership and supply system that is planning and providing for security at these stations.

## Ephesians 6:12

"For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world, and against the spiritual forces of evil in the heavenly realms."

## Devotional Thought on Eph 6:10-18

The ideology which seeks to control society through terror by convincing young people to blow themselves up in crowded markets and next to lines at polling stations comes from the pit of hell. Fighting attitudes from hell requires the opposite spirit from heaven. Victories in the material realm happen after victories in the spiritual one. Jesus defeated Satan in prayer in the garden before he beat him on the cross and in the grave. God provides the helmet of salvation, breastplate of righteousness, shoes of the gospel, and belt of truth for defensive protection. For offensive engagement, the word of God shows us the will of God for each situation so that we can pray for the spiritual victories that will be manifest in the physical world. The spiritual situation in Iraq must be changed with prayer before material conditions can be changed by soldiers.
